ANNOUNCEMENT FOR THE AWARD OF A RESEARCH FELLOWSHIP

Research Fellowship (1 vacancy)

(Ref.: CEHUM-BI-01-2023)

A call for applications is now open for the attribution of 1 (one) grant for master's degree students within the scope of the R&D Strategic project Centre for Humanistic Studies of the University of Minho - CEHUM, reference UIDB/00305/2020, financed by national funds through FCT/MCTES (PIDDAC), under the following conditions:

Scientific Area: Language Sciences.

Recipient category: Master's degree students in Language Sciences.

Requirement for granting the fellowship:

- Fellowships will only be awarded if the successful candidates present valid proof of enrolment on the degree course, according to the type of scholarship being applied for, issued by the academic services of the Higher Education Institution, respectively indicating the academic year in progress or its duration (start and end).
- Applications will only be considered if the applicants have, by the date of the competition, a course attendance average equal to or greater than 16 points.

Profile of recipients:

The fellowship is intended for students who provide proof that they have completed the curricular year of the Master's course in Language Sciences at the University of Minho and are enrolled in the second year of said Course.

Applicants eligibility: Applicants must comply with the eligibility conditions laid down in article 9 of the Research Grants Regulation of the Portuguese Foundation for Science and Technology (2019).

Work plan and objectives to be achieved:

The grant is part of the project *Parameters of syntactic variation in different varieties of Portuguese* of the Theoretical and Experimental Linguistics Group (LTE) of CEHUM and aims to carry out a systematic study of syntactic issues in which there is divergence between European Portuguese (EP) and Brazilian Portuguese (BP).

A literary work will be selected which has been translated into BP and EP and divergent aspects of syntax in the two varieties will be investigated, with a particular focus on the ways in which anaphoric objects are realized and/or questions of word order as it relates to informational structure.

Applicable legislation and regulations: Research Fellowship Holder Statutes, approved by Law no. 40/2004 of August 18, in its current version published by Decree-Law no. 123/2019 of August 28; Regulation of Scientific Research Fellowships of the University of Minho (RBIC), published in "Diário da República", 2nd serie, no. 119, through dispatch no. 6524/2020 of 22-06-2020, ratified by ratification declaration no. 447/2021 of 22-06-2021

Universidade do Minho
Escola de Letras, Artes e Ciências Humanas

Substitute Members:

Maria do Pilar Pereira Barbosa, Associate Professor, Department of Portuguese and Lusophone Studies, University of Minho

Criteria and procedures for applications assessment and selection: The applications assessment will focus on the candidate's Merit, following evaluation criteria, valued on a scale of 1 to 20 values:

Applicant Merit - AM (100%):

- a) Academic path (considering the classifications of academic degrees), with a weighting of 50%;
- b) Personal curriculum (considering professional and scientific background), with a weighting of 40%;
- c) Motivation letter, with a weighting of 10%.

The final classification of the applicant's merit will be calculated using the following formula:

$$MC=(a\times 0,5) + (b\times 0,4) + (c\times 0,1)$$

The documents related to academic degrees and diplomas, or their respective recognition when awarded by foreign higher education institutions are not mandatory in the application phase, being replaced by a declaration of honor of the candidate with the contents of academic results. The documents of academic qualification or respective recognition will be required in the contracting phase and must attest facts that occurred on a date prior to the application. In situations of divergence between the information contained in the declaration and the documentation submitted for contracting the grant, only the information contained in the latter will be considered. If the documents proving the ownership of the academic degree and diploma, or the respective recognition under the terms of Decree-Law No. 66/2018, of August 16, do not correspond to the classifications awarded in the evaluation of the academic path, which can change the candidate's ranking, the fellowship won't be contracted.

Notes: *Applicants with degrees obtained abroad must present proof of recognition of qualifications in Portugal and conversion of the final classification obtained in them to the Portuguese classification scale or declaration under the terms indicated in the previous point. Candidates who do not comply with one of these provisions, the selection panel will assign "0" in the grade of the graduation and/or master course. Candidates will be evaluated on the remaining parameters.*

Disclosure of results: The provisional results of applications, based in the selection panel minutes, will be sent to the applicants by e-mail until 90 working days from the application deadline.

If case of unfavourable results, the candidates have a period of 10 working days to comment, if desired, in a prior hearing to interested parties, pursuant to articles 121 and 122 of the Code of Administrative Procedure (DL no. 4 / 2015 of January 7th).

Complaint and appeal procedures: The final results of the evaluation will be published through an alphabetically ordered list, posted in a visible and public place of the host unit, as well as by e-mail to all applicants, enclosing for that purpose, the minutes of the jury deliberations.

The selected candidate must inform willingness to accept the grant, in writing. In case of rejection, the fellowship will be awarded to the next candidate in the ordered list of applicants.

The final decision can be contested within 15 working days, by sending the President of the jury the corresponding claim. Interested parties may also submit an optional hierarchical appeal, in the terms of the number 3 of article 13 of Regulation of Scientific Research Fellowships of the University of Minho (RBIC).

Application deadline and submission: The call for applications is open from 18-12-2023 until 03-01-2024.

Applications must be formalized by sending an application letter with the following documents: curriculum vitae; qualifications certificate or declaration of the applicant; motivation letter; statement proving that the candidate meets the conditions of the grant typology, according to the application requirements; other documents important to the evaluation process).

Applications must be sent by email to margarete@elach.uminho.pt, indicating the reference of the call for applications in the Subject field. Applications submitted by other means will not be accepted.

Fellowship contractualization: The fellowship will be attributed by signing a fellowship contract between the University of Minho and the fellow, in accordance with the contract minute (annex IV of the Regulation of Research Fellowships of the University of Minho (RBIC), published in *Diário da República, 2nd Série, no. 119*, through dispatch no. 6524/2020 of 22-06-2020, ratified by ratification declaration no. 447/2021 of 22-06-2021, as indicated in 2.4 of the FCT document: "[Rules for Granting and Management of Grants within the scope of R&D projects, including infrastructure projects, the multi-annual financing program for R&D units and other FCT financing instruments \(Version 2021\)](#)".

The contract may only be concluded after all the documentation required is collected, which must take place within a maximum period of 6 months.

Once all the documentation has been received, the contracting entity has a period of 60 working days to conclude the scholarship contract. Once received, the fellow must return the contract duly signed within 15 working days. The activities under the fellowship contract can only begin after proper authorization by the contracting entity.

Term and cancellation of fellowship contracts: Without prejudice to the other causes provided in the fellowship regulations (FCT and UMinho) and in the Statute of the Research Fellow, the fellowship ends with the completion of the work plan, as well as with the expiry date for which it was granted or renewed.

At the end of the fellowship, the grantee is obliged to present a Final Report of the work carried out, in accordance with the objectives and evaluation criteria defined with the scientific advisor, within 30 days after the end of the scholarship.

The **final report** must be prepared in accordance with Annex I of the Scientific Research Fellowships Regulation of the University of Minho (RBIC), published in *Diário da República, 2nd Série, no. 119*, through dispatch no. 6524/2020 of 22-06-2020, ratified by ratification declaration no. 447/2021 of 22-06-2021.
